Dear Ms. Songer,

On behalf of Muslim Advocates, and in deep appreciation of your office's leadership and commitment to freedom, justice and equality for all, it is my honor to invite you to be our keynote speaker at our Bay Area lunch to be held on May 4, 2019, at Shalizaar's Restaurant in Belmont, CA. Specifically, we would be thrilled if you would participate in an onstage conversation with me as we explore the challenges and opportunities that lie ahead to advance civil rights. Muslim Advocates would cover all applicable travel expenses, including flight, lodging, and lunch cost the day of the event.

The vicious, hate-filled attacks on individuals and institutions, and recent executive orders targeting immigrants and refugees have had a profound effect on the American Muslim community. Among Muslim parents, there is a disturbing and unprecedented sense of fear and concern about the safety of their families and loved ones. You have been a steadfast champion for justice; fostering a sense of empowerment that reaches far beyond the halls of Congress. Your leadership in the fight against the Muslim ban and other discriminatory policies targeting Muslims and other Americans would make it incredibly meaningful to hear from you about the progress made toward freedom, justice and equality.

The lunch will feature a cross-section of the rich racial and ethnic diversity of the American Muslim community, including community leaders, lawyers, and business leaders, as well as law firm, civil rights and faith group partners and allies in our work. Notable speakers at our previous events include U.S. Attorneys General Loretta Lynch and Eric Holder, Former Acting Attorney General Sally Yates, House Democratic Leader Nancy Pelosi, former U.S. Senator Russ Feingold, and MSNBC's Chris Matthews.

We would be absolutely honored and delighted to have you join us and lead this absolutely crucial and timely dialogue with the American Muslim community and our allies.

Please contact me at farhana@muslimadvocates.org or 202-594-8703 with any questions. I do hope you can join us and very much look forward to your reply.

Sincerely yours,

Farhana Y. Khera
